

/home/francesco/ros
_ws/src/ur5Project/include
/blocks.hpp

```
graph TD; A["/home/francesco/ros_ws/src/ur5Project/include/blocks.hpp"] --> B[iostream]; A --> C[string]; A --> D[vector]; A --> E[ros/ros.h];
```

The diagram illustrates the include dependencies of the file `/home/francesco/ros_ws/src/ur5Project/include/blocks.hpp`. Four blue arrows originate from the bottom of the top box and point to the four boxes below it, indicating that `blocks.hpp` includes `iostream`, `string`, `vector`, and `ros/ros.h`.
